

Uniform and sportswear

from September 2022

The school uniform at Woldingham is designed to be smart as well as practical. Students are expected to wear school uniform while at school and adhere to the dress code, which is outlined in the student handbook. The school uniform and sports kit were updated in summer 2020, following feedback from parents and students. New sports kit for Sixth Form was added in 2021.

Buying uniform and sportswear

Woldingham branded uniform and sportswear is available to buy from **schoolblazer.com**. The current prices are listed on its website.

Some unbranded elements of our school uniform can be bought from School Blazer or other retailers. These are clearly marked in this booklet and in the uniform checklist.

Please make sure you place your order with School Blazer in plenty of time. Items of the wrong size can be returned and reordered in the correct size but this can take a few days.

School Blazer will deliver via DPD with a normal turn-around of 1-2 days even in the busy summer period. Urgent garments can be shipped in 24 hours on a fast-track service. Please allow extra time for international delivery. For international students, school uniform can be delivered directly to school.

You can buy and sell secondhand uniform at sales held regularly, which raise money in support of the Woldingham Foundation. Sellers receive 50% of the sale price.

Name labels

You can buy name labels from School Blazer. School Blazer is also able to supply uniform with the labels already sewn.

Please make sure all items of clothing are clearly and securely named so lost items can be returned. For boarders, the school laundry can only accept clothes that are clearly labelled.
